

LEARNING STUDIO EDUCARE PRESENTS

# STUDIO NEWS @ ANGSANA PRIMARY SCHOOL

ISSUE 4

# DAILY ROUTINE

Supervision of school homework by LSE staff is done to ensure its completion at the end of the day.

Spelling practice is conducted a week in advance so that it is prepared for spelling test in school.

## SUPERVISED STUDY TIME & SPELLING PRACTICES

## LUNCH TIME!

The students are provided with a healthy and balanced meal (rice, meat & veggies) daily.

# (CDP) CHARACTER DEVELOPMENT PROGRAM

Teaching students the value of Resilience, through the following aspects:

- a. Set the right goal
- b. Not to be discouraged by failure.
- c. Face challenges
- d. Learn the value of hard work and determination

## NEWS TEACH

To keep students abreast with what is happening around the world.

# READER'S THEATRE ENRICHMENT

Reader's Theatre Enrichment - to reignite curiosity in students.

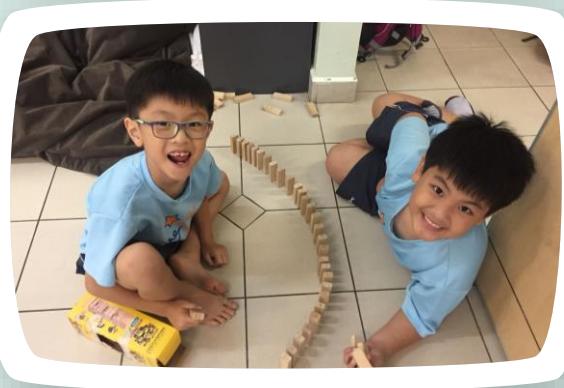

The staff uses appropriate music to engage students in exciting and energizing activities, like dancing. They will learn interesting dance moves and develop physical self-confidence.

## MUSIC AND MOVEMENT ENRICHMENT

## INDOOR ACTIVITIES

During indoor activities time, they can choose to read, play board games or the toys in the center.

## OUTDOOR EDUCATION

Different outdoor activities planned to strengthen children's motor skills.

# EVENTS & OTHER ACTIVITIES

## HOME BASED LEARNING

HBL in AVA room with LSE teachers guiding.

# NATIONAL DAY PREPARATION

Students came up with creative drawings to decorate the student care centre and show their love for Singapore.

# NATIONAL DAY CELEBRATION

Wearing red and white, the students celebrated our country's 53<sup>rd</sup> birthday with a cake.

Congratulations to  
these students!

## Term 3 Reward Day

An Award Ceremony is conducted termly in order to recognise the outstanding students who have displayed the school values. As for this term, the value is 'RESILIENCE'.

Students who do not only show good conduct but also participate actively in the SCC's daily activities, also received a prize to encourage them and acknowledge their effort.

# Teacher's Day Celebration

A simple yet heartwarming moment with the students as they show their appreciation to the LSE teachers with the origami “flower in a pot”.

# Teacher's Day Celebration

A mini party  
prepared by the  
**TEACHERS!!!**

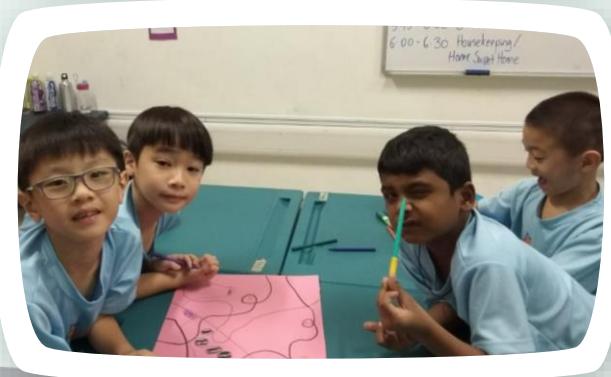

# SEPTEMBER HOLIDAY

Our theme for the holiday week is  
PATIENCE.

Through the programs we conducted,  
we hope that the children will be made  
aware that learning is a process and  
patience is needed.

# FRUITS PATTERN DRAWING

Patiently drawing out different fruits patterns to form final masterpiece.

## THE PATIENCE PLATE

A plate which the students drew to show one way they can show patience to themselves, their family, friends and their goals.

## SUSHI MAKING

Sushi making - we talked about the hardship and patience in the planting of grains.

## BEAN SPROUT PLANTING

Students got a chance to experience the planting of bean sprout and learnt how their effort and patience do matter in growing them.
