DAILY Checklist

Your child should bring the following to kindergarten daily:

1 extra set of uniform

1 set of undergarment

Water bottle with sling filled with plain water

Please label all your child's belongings.

MK-PARENT Partnership

- Work together with us to support your child's transition.
- Encourage curiosity and a love for learning.
- Help your child understand their feelings and build confidence.
- Support learning at their own pace. Every child learns differently.

COMMUNICATION Modes

We encourage frequent communication between the kindergarten and parents.

The image shows a colorful newsletter page from MOE Kindergarten. At the top, it says "TERM 1 EL NEWSLETTER #2 24 FEBRUARY 2023". The title of the section is "HI-Light: My Feelings". It includes text about what they did (learning about feelings), what they are learning (recognizing and managing feelings), and several photos of children in the classroom. The newsletter is decorated with a butterfly and a cactus.

What we did:
We learnt that there are different types of feelings and emotions, and there are also many ways to express and manage them. We read books and looked at pictures to identify the different feelings and discussed the ways to cope with sadness and anger. We sorted and counted the pictures of various feelings; observed our facial expressions to create our self-portraits using playdough, and designed our personalised sensory bottle! In the classroom, we now have a "Calm Down" corner!

What we are learning:

- To recognise feelings of being happy, sad, angry, scared and calm
- To observe how facial features change according to feelings
- To recognise our own feelings and create a class feelings chart
- To show respect to others by expressing and managing our feelings appropriately
- To model coping strategies to help us manage feelings of sadness and anger

Hi-Light: My Feelings

We recognise what others are feeling by looking at their facial expressions.

We talk about what we would do when we are feeling happy, sad, angry and scared.

Let's move fast to happy music and move slow to sad music!

We count and sort the picture cards according to the types of feelings!

PARENTS Gateway

- Parents Gateway is a mobile app jointly developed by MOE and GovTech to support parents' involvement in their child's educational journey.
- You can receive information such as regular class/child updates from the MK, and perform a range of administrative functions such as giving consent for MK programmes and activities.
- You can download Parents Gateway on your mobile smartphone (available on iOS, Android and Huawei platforms) from **16 Dec 2025**.

THANK YOU
SO MUCH!
